Private Utility Activities

Private utility companies are relocating or updating their facilities in conjunction with the project. Each utility company is responsible for their respective work but are coordinating efforts with the City and project Contractor. The work summarized below is not the responsibility of the City or the City's Contractor. A summary of known or anticipated private utility work outside of the current roadway construction zone includes:

- **Century Link / Lumen**
 - Adjustments to underground communication lines will be performed concurrently with roadway construction.
 - Through traffic will be maintained outside of current roadway construction limits.
- **Xcel Gas**
 - Construction of new gas facilities between Bryant Ave and Annapolis St along the west side of Concord St.
 - Work is anticipated to begin the week of May 16th.
 - Through traffic will be maintained outside of current roadway construction limits.
- **The public shall contact major private utilities directly regarding any disruptions in service to be addressed as the Roadway Contractor doesn't perform any work with private utilities.**
