

Concord Street (TH 156) Improvements

CP 2016-11, SP 1912-59

CONSTRUCTION UPDATE

April 14th, 2023

Concord Street Construction Update

Construction activities along Concord Street have resumed. The City of South St. Paul's Contractor, Eureka Construction, will be performing construction activities between Bryant Avenue and Annapolis Street, as well as final restoration and maintenance between I-494 and Wentworth Avenue. Below is a brief update on the traffic access within the project corridor and general scope of construction activities planned for the next few weeks:

Traffic Control

Simon's Ravine to Annapolis Street

- Northbound and southbound traffic on Concord Street is shifted to the east side of the road.
- On-street parking is prohibited on Concord Street.

Construction Activities

Phase 4 (Bryant Avenue to Annapolis Street)

- Retaining Wall construction on the west side of Concord Street from Simon's Ravine to Annapolis Street.
- Roadway grading for concrete curb & gutter and bituminous roadway paving on the west side of Concord Street from Simon's Ravine to Annapolis Street.
- Grading for bituminous trail and concrete flatwork on the west side of Concord Street from Simon's Ravine to Annapolis Street.

Completion of the entire project is scheduled for June 2023 or until all work has been approved by the City. The Contractor may still be performing work activities anywhere within the project corridor up until project completion.

Please Contact Nick Guilliams, City of South St. Paul City Engineer at nguilliams@southstpaul.org or 651-554-3214 if you have any additional questions regarding the project.
