Concord Street Construction Update

The City of South St. Paul's Contractor, Eureka Construction, will be performing construction activities between Bryant Avenue and Annapolis Street, as well as final restoration and maintenance between I-494 and Wentworth Avenue. Below is a brief update on the traffic access within the project corridor and general scope of construction activities planned for the next few weeks:

Traffic Control

Simon's Ravine to Annapolis Street

- Northbound and southbound traffic on Concord Street is shifted to the east side of the road.
- On-street parking is prohibited on Concord Street.

Bryant Avenue to Annapolis Street – Northbound Detour

- **Monday, May 8th**
- Northbound traffic on Concord Street will be detoured at Bryant Avenue to Annapolis Street per the attached map.
- Southbound traffic on Concord Street will be maintained on the east side of the road.
- On-street parking is prohibited on Concord Street.

Construction Activities

Phase 4 (Bryant Avenue to Annapolis Street)

- Concrete curb and gutter installation on the west side of Concord Street from Simon's Ravine to Annapolis Street to occur on May 1st and May 2nd.
- Retaining Wall construction on the west side of Concord Street from Butler Avenue to Annapolis Street.
- Roadway grading bituminous roadway paving on the west side of Concord Street from Simon's Ravine to Annapolis Street.
- Bituminous roadway paving on the west side of Concord Street from Simon's Ravine to Annapolis Street is scheduled for the week of May 8th.

Completion of the entire project is scheduled for June 2023 or until all work has been approved by the City. The Contractor may still be performing work activities anywhere within the project corridor up until project completion.
